PHILADELPHIA, Aug. 18, 1863,

Editors Intelligencer:

If you and the compositor will forgive
me I'll write you "a piece." You know
that everybody that goes anywhere, now a
days, relieves himself by publishing an account of what he saw in his wondrous count of what he saw in his wondrous journeyings. Like unto the balance am I. at the depot after a most vexatious delay you will no doubt perceive. To many, of half an hour. If it were not for my what I have to say will be neither new nor interesting, but to many others I trust it will afford an hour of amusement, if not of Philadelphia is a confounded thard road interest. To the latter class, I hope to make my "piece" worthy of perusal. If I

By a species of strategy much more suc-cessful than some of Mr. Stanton's, I suc-ceeded in getting on very intimate terms with that excellent railroad Master, Wm. was I was put in possession of a beautiful three months, which comfortable little ar-rangement precluded the necessity of my going down and paying Jim Jackson \$2,85 he temporary capital of the State of West Virginia, where I remained all night. Here I found a hiatus in my ticket, which

I filled up with three dollars and fifty cents, in the shape of a nice little check to Pittsbus ticket across to Bridgeport, which I four hundred madmen, he is much better accomplished, for the name of the old mercantic written accomplished, for the name of the old mercantic wretch, will live coeval with it. He lived like a dog, made himself a milionaire, minutes, and so prepared manual for the control of the property of t be same, very kindly handed me an omni-ous ticket across to Bridgepert, which I four bundred madmen, he is much better infortunately mislaid. On arriving at prepared and much more likely to thank ved at Pittsburg a little after two o'clock Monongahela House—a number one hotel by the way, kept by somebody who understands his business. My bill here for supper, lodging and omnibus was two dollars.
(I insert price for information.) During the evening I called upon some friends, attended to some business, and provided myself with 200 good digars at a price which I could name without incurring the charge of leading any one into temptation, but I forbear for the sake of the reputation

of the city.

About half past 2 o'clock Friday moragers for Philadelphia had better make their personal appearance at the omnibus in the shortest kind of style. I did so, and at three o'clock the train left the depot at a very sleepy pace, and I was informed that when I got to the mountain town of Altoons, 117 miles distant, I should have breakfast. The conductor looked very agreeable when I handed him a beautiful-

the finest Hotel in America, and of course up the Schuylkill to the "city of the dead" at Laurel Hill, and were well repaid for the trouble. Though not equal to the its refreshing side board, the elegant car-pets, the large, clean, munificently furn-ished rooms, the luxuriant beds, magnificent parlors, its spiral car for conveying guests up stairs, its fine restaurant, atten-

sician at the Pennsylvania Hospital for the Insane. He was temporarily absent, but making myself known, I was kindly enteranont, and after a very pleasant ride of four tained by the Steward, and wife and sister, or five hours over country wild enough and rough enough to please most romantic lover of forest and hill; I got off again at the temporary capital of the State of West assistant Physician. a most accomplished family of the pursas-sion of Friends. My friend and Dr. Jones, the first assistant Physician, returned dur-ing the evening, and I was induced to re-main at the Institution over the Sabbath. On Saturday morning I visited the wards and conversed a good deal with the pa-tients, of whom, male and female, there are near 400, but yar few of whom are called near 400, but very few of whom are called noisy. It was a new and melancholy sight to me. I think after one clocks linto the

> such experience. Oh, it is horrible!
>
> A walk through the ward is which were space; some walk slowly down the hall, talking incoherently; some stand like statiles; and others read and talk and shout and sing. Nothing intelligible breaks through the darkened chambers of their being except the sound of the dinner bell, to which they all respond like children and take their places at the table with the pre-As the sound of the rally! In one room a saw an old man who was lying in bed with a fancied broken leg, when in fact he is as sound as a dollar. No entreaty, threats or sound as a dollar. No entreaty, threats or the principal hotels, taking a most splentings that "Our Government" will yet want.
>
> We know that we have the best and most popular to the want of the principal hotels, taking a most splenting that "Our Government" will yet want. at the sound of the rally ! origery can moove him; there he lays, nursing an imaginary wound, all through the long nights and hot days; there he has lain for fifteen years; there he will die!
>
> On Saturday we paid a visit to some On Saturday we paid a visit to some points of interest in the city, attended the Chestnut street theatre in the evening, where we saw a very interesting pautomime known as the "Green Monstet," and retarned to the Hospital at night. On Sunday, after the duties of the myrning were over, after the duties of the myrning were over, as the with my friend, I took a stroll.

it a "goak." I call such a dinner a crime, to sympathy for such a case as this I should government. No one offered funds, as the want kept at a long distance from me.— She was so innocent, so perfect in behawent round and collected the half dollars.
One gentleman paid his fare and said to the Landlord as he scowled back at that looked in her glorious eyes and saw there functionary, as he passed out, "d—n you and your dinner!" Others said, reverently, "amen," and I solemaly think it will be done, aspecially the first part, the latter did-not need it.

The dust and conder flew so thick and feet that one could remain no longer, the poor creature did it. "I am for my country, I will give feet that one could remain no longer, the poor creature clung to me, begging me to take her to Cape May, where I told her I was going. life? I am sure she loved once, and that passion is not yet obliterated. Farewell,

NUMBER 8.

tion in all its acts to put down the rebel the North west was standing aghast in neutrality, it was Norton who stenned clared unconditionally for the Union, and position, cried no, and said beware are in danger. The history of two or three days at that time done wonders for Norton helped with all his might to make that history,—shall we allow such men to go durewarded and put men in place, who were then afraid of their shadows? In making up our minds before the elec-tion, we should as honest men, desiring to work for the common good, consider well all these things, and endeavor to ren der unto all, justice to whom justice is due. Let the people study well the im-portance of the subject, make up their minds and act deliberately, and we have no tears.

The Charleston Courier makes a timely suggeston in recommending the attention of our gover
